

CIVIC NETWORK

Search for networks that match your interests

Invite individuals and organizations to join your network

Easily organize network materials in one location

WHO: Networks, collaborators, organizations, and individuals who strive to improve their communities through collaboration

WHAT: A free, web based tool designed to support collaborative efforts. Civic Network allows users to:

- Create shared working space for networks and collaboratives
- Share documents, tools, and best practices
- Track progress toward actions and outcomes
- Find new partners and networks by learning who is doing what and where

JOIN US: <http://civicnetwork.io>
