

Respect

Everyone is valued and treated with dignity.

Health

A state of complete physical, mental and social well-being.

Equity

We all have what we need to thrive.

Opportunity

Everyone can meet their basic needs with no barriers to accessing quality and timely resources.

Responsibility

We share a commitment to improve our community and are accountable to each other for the outcomes we seek.

Jefferson County Health Alliance

Committed to a thriving and connected community where health and opportunity are possible for all.

Result Areas

Connection

People and organizations are well connected in a caring, supportive community.

Collaboration

People and organizations work together to improve outcomes and change systems.

The Jefferson County Health Alliance is a group of people and organizations committed to a thriving, connected Jefferson County where health and opportunity are possible for all. Join the conversation and the solution!
