

Jefferson County Health Alliance

Action Team Updates October 2, 2020

The Jefferson County Health Alliance (Alliance) is a collaborative, cross-sector partnership committed to a connected, thriving community where health and opportunity are possible for all. It is born out of the recognition that to move the needle on complex community conditions, it takes collaboration across multiple sectors and topics as well as connection between people, within neighborhoods and across coalitions and organizations.

Culture of Connection

Purpose (in development): Foster a culture of connection throughout Jefferson County.

Update: Currently working to define “culture of connection” and understand the work already happening to support this concept in the County. The group is wrapping up its interviews with connection champions and will combine these findings with research done by other coalitions.

Next Team Meeting: 10/07/2020 at 3:00 PM **Contact:** Kelly Kast, krkast@jeffco.co.us, 303.271.5728

Collaborative Funding

Purpose (in development): Explore collaborative funding models, understand how funding can support community collaboration and the resources/support necessary to expand access to responsive funding.

Update: Exploring the need for responsive funding and tools/resources to support development of collaborative funding applications. Next meeting will include a discussion of lessons learned from the LAUNCH Together collaboration. Group is interested in recruiting people who are leading, have built or funding collaborative initiatives to present at future meetings.

Next Team Meeting: 10/13/2020 at 3:00 pm **Contact:** Rachel B. Cohen, Rachel@Aging-Dynamics.com, 215.868.1865

Leveraging Needs Assessments

Purpose (in development): Leverage needs assessments and data across organizations and collaborations to accurately describe strengths, identify needs and provide benefit across Jefferson County.

Update: Initial meeting held with exploration of potential purpose, identifying need for sharing data, challenges with doing so and interest in collaborating with others doing data collection. Actively recruiting new members doing data collection or engaged in needs assessments.

Next Team Meeting: To be scheduled **Contact:** Rachel B. Cohen, Rachel@Aging-Dynamics.com, 215.868.1865

Centered in Community

Purpose (in development): Create conditions for community voice to be equal in decision making within the Alliance and throughout Jefferson County.

Update: Actively identifying next steps including identifying and recruiting new participants to define action..

Next Team Meeting: 10/06/2020 at 2:00 PM **Contact:** Kelly Kast, krkast@jeffco.co.us, 303.271.5728

Technology

Purpose (in development): Support data sharing and interoperability of systems to improve access to care and resources and guide the development of Health Alliance websites to improve connection, collaboration and communication.

Update: Actively discussing existing work related to data sharing, resource alignment and interoperability of systems, including Jeffco Connects, JeffcoFamiliesColorado.org, Unite Colorado and releases of information. Please reach out to Kelly if you or someone you know is working in this area.

Next Team Meeting: To be scheduled **Contact:** Kelly Kast, krkast@jeffco.co.us, 303.271.5728
