

**Jefferson County Health Alliance
Collaborative Funding Action Team**

February 17, 2021 2:00-3:15pm
Zoom

**MEETING
AGENDA**

Meeting Objectives:

- Clarify direction for the purpose of this group

Why We are Here:

- Collaborative funding is a core element of collaboration
- Changing the paradigm from doing work separately to intentionally collaborating
- Interest in learning more about different types of collaborations and how funding can be supportive
- In funding applications, collaboration needs to be defined both with roles and budget

Attendees: Noah Atencio, Community First Foundation; Mary Margaret Fouse-Bishop, Jefferson County Public Health; Hilda Gerhke, Connectando Network and Entrepreneur; Facilitator: Rachel B. Cohen, Aging-Dynamics

2:15 - 3:00	<p>Refocusing on the core challenges to collaborative funding: Last month we started down 2 paths...one focused on changing the funding process and the other on providing training to be able to function within the existing system.</p> <p>Two Paths:</p> <ol style="list-style-type: none"> 1. Supporting foundations and others providing funds to become more accessible, open and inclusive 2. Provide resources to the community to access those funds <p>What can we control or influence? Is it either of these things above? Barriers for collaborations seems to be the deeper issues of</p>	The Group

What does true community engagement look like? How does the funding system need to change?</p> <p>Are the barriers to funding the same for individuals and collaboratives? If yes, what are barriers specific to collaboratives?</p> <p>How can those barriers be removed? Short term actions Long Term actions</p> <p>Possible Actions:</p> <ol style="list-style-type: none"> 1. Discussion paper with recommendations of barriers and how to remove them 2. Develop a pilot funding opportunity to demonstrate a different way of accessing funding 3. Create institute and take people and orgs who want to collaborate with a possibility of dollars to pilot...cohort based...principles of effective collaborations...Purpose of collaboration, MOUs, coaching needs, 4. Guidebook or process for people to get familiar with collaboration; coaching to help implement; relationship building; inclusive and equitable space; language justice; information is visual and written and accessible 5. Could map out by SDOH, group grantees and invite to a learning session about each other; and then do a community Zoom call to listen to what they learned about each other....could have a community decision making for how \$\$ is distributed...Institute could follow up with that with a newly emerged collaboration <ol style="list-style-type: none"> a.
