

Culture of Connection – Story Template Sub-Group Meeting Notes 1/13/2022

Rachel Haley – Robyn Lupa – Amanda Davis – Reg Cox

Action/Next Steps:

Rachel

1. Informed Consent template example for the group to look at/consider
2. Charter template for the group to consider (Guiding doc/assumption guideline...etc.)

Reg

1. Meeting notes to subgroup
2. Contact Jessica Hansen, secure her for a future convo w/Subgroup or CofC team, team envisions Jeffco Prosperity Partners being a likely source for story examples

Robyn

1. Synthesize notes: AA model, Audience, Template, Use of Story ideas, Trial story/Pilot, What are next steps?
2. Audience: What kinds of different audiences do we envision stories to be used for? Funders, Folks needing support/services, Volunteers...etc.
3. Transparency Statement for those sharing their story
4. Reach out to Title 1 as a possible source for stories

Question to wrestle down: Where do we collect and store stories? How are the stories actually “serving” those who are experiencing needs? How do we insure a “community member priority” focus/care?

Preference for story sources for pilot: Jeffco Prosperity Project and Title I
