2:20-2:50	<p>Notes from Previous meeting served as the basis for today's discussion: Discuss and review the Collaborative Funding concept paper</p> <p>How do we want to use this concept paper/information? Should it be a full paper or should it be small nuggets presented through blogs; vlogs; etc. how do we get to action?</p> <p>Suggestions:</p> <p>Put out paper; hold community discussion with</p>	The Group

presentation;design collective action

This is a continuum of change....self assessment of where they are on the continuum...

Could take some language from the paper and create a continuum

Elements: changing applications to be more user friendly for start ups; Administrative: develop internal systems to support coops or other forms besides non profits
Policy level advocacy to shift how funds are used

Look at own structures and practices around DEI, baseline understanding of community engagement; shared understanding, racial equity

Create an assessment tool

Alliance could create a hub for equitable funding

----Do a presentation with funders and community based organizations

----do a presentation to the Health Alliance and see if there is additional interest

-Stephanie Selzer Rodriguez was involved with the Administrative Equity group previously? Is there a way to resurrect the Trailhead Admin Equity group for a regional

---Basic steps...what are 5 things you can do to just get started....add this to the concept paper

---The paper really isn't flowing, the barriers and solutions are standing alone

--Present to Trailhead and CFF might fund to use this as a platform

--Add in the Trailhead information to the Collaborative Funding

--Do a presentation to the Health Alliance with a focus on the WHY and WHAT and open up for discussion of the

	<p>HOW</p> <p>Create summary infographic</p>	
<p>2:50-3:00pm</p>	<p>What next? Where do we want to go from here? Rachel will send out a distribution list draft; one last proofread of the paper and send to Kelly Kast to distribute to the Alliance and we will distribute through our networks (see distribution list) Rachel will schedule a February meeting on 2/15 at 2pm.</p> <p>We would like to present the paper to the HJA or a subgroup of interested people and/or attend each Action Team to present</p> <p>Next steps would be to create blogs/short pieces highlighting examples of the action steps</p> <p>Create tools for how to implement the various components</p>	<p>The Group</p>
