

healthy**JEFFCO**
ALLIANCE

We are an emerging and growing health alliance in Jefferson County, Colorado.

We are made up of individuals and organizations who care about cultivating health and opportunity within our communities.

Purpose

We exist to cultivate a connected, thriving community where health and opportunity are possible for all.

Beliefs

We believe community is rooted in connection and collaboration, and we ALL have value to contribute.

Superpowers

We embody a culture of humility, and we constantly strive to be more inclusive in who we are, and how we operate.

Get Involved

- Become an Action Team Member or Advisor to be a part of decision-making and work with others to generate solutions.
- Opt to receive specific Action Team or overall updates.
- Become an Alliance Partner.

What We Do

We facilitate conversation, connection, and collaboration among our community to make health and opportunity possible for all.

Currently, Action Teams organize initiatives in these areas:

- 1.Center work in community
- 2.Create a culture of connection
- 3.Support data sharing and integrated systems
- 4.Encourage collaborative funding
- 5.Leverage community assessments & planning
